

Tohoku University Community

Tohoku University uses the Safety Confirmation System to ascertain the safety of students and staff during emergencies. In the event of a natural disaster, all students/staff are asked to please respond to the safety confirmation e-mail message.

Your responses will help Tohoku University classes/research resume more quickly.

Please respond to safety confirmation requests promptly!

If you do not respond, the university will be unable to provide your family with any information if they contact us.

It will also delay the identification of people who really are missing and in need of search/rescue.

Point 1

A safety confirmation message will be sent to the e-mail addresses you registered in the Student Affairs Information System (students), or Integrated Electronic Authentication System (staff).

We ask that you register a mobile address that you use regularly so that we can contact you promptly in the event of an emergency.

Point 2

If you receive a safety confirmation notification by e-mail, open the URL shown in the message.

Simply select your responses on the online form to report your safety status.

Safety confirmation messages will always be sent from tohoku-univ@anpi.tohoku.ac.jp.

Please set up your e-mail filters to accept messages from this domain.

University-wide safety confirmation training will be held during the 2018 academic year on April 25 and in the fall. All students/staff are asked to please respond to the safety confirmation message.

*The drills will be held even in the event of real small/moderate earthquakes (the test message will be sent as long as any actual earthquakes are less than 5-Upper on the JMA seismic intensity scale).

Responding with the dedicated mobile app (Emergency Call)

Response screen accessed from e-mail

E-mail Safety Confirmation Settings

Students

Safety confirmation messages will be sent to the addresses you set in "E-mail address 1" and "Forwarding address."

The screenshots show the 'Student Services' interface. The 'New Application' menu is highlighted, leading to the 'Change Student Information' page. On this page, the 'E-mail address 1' field is highlighted in red. A flowchart on the right indicates the navigation path: Student Services tab → New Application menu → Change Student Information.

Staff

Safety confirmation messages will be sent to the address you set in "Staff e-mail address" and "Contact e-mail address."

The screenshots show the 'For Staff' login page and the 'Integrated Electronic Authentication System' profile update page. The 'Log in with your Tohoku University ID' button is highlighted. The 'メールアドレス等更新' (Update E-mail addresses) option is selected, leading to the 'プロフィールメンテナンス' (Profile Maintenance) page. The 'SAVE' button is highlighted. A blue callout box states: 'The university will send safety confirmation messages to the address you enter here.' A flowchart on the right indicates the navigation path: For Staff tab → Log in with your Tohoku University ID → Integrated Electronic Authentication System → Edit Profile → SAVE.

See the website below for details on e-mail address registration and information about the system!
