

2016.6.11(Sat)/6.12(Sun)

Onagawa Learning Tour

Five years have passed since the Great East Japan Earthquake of March 11, 2011. Onagawa is one of towns in Miyagi that was severely devastated by Tsunami. However, Onagawa is called a top runner of revitalization. SCRUM has arranged a learning tour for international students who are interested in approaches for restoration in Onagawa.

SCRUM×TUFSA
