

### Calculating GPA:

#### STEP1:

**You must have minimum GPA of 2.30**, as calculated using JASSO's GPA calculation method, **based on a transcript from the previous academic year.**

#### STEP2:

Use the table below to convert grades into grade points. Then use the grade points and the formula below to calculate the GPA.

#### STEP3:

When calculating the GPA, round off to two decimal places. For example, 2.654 would be rounded to 2.65, while 2.655 would be rounded to 2.66.

#### Grade Point Conversion Table:

	GRADE				
4-level rating (type 1)	-	Excellent	Good	Average	Fail
4-level rating (type 2)	-	A	B	C	F
4-level rating (type 3)	-	100-80	79-70	69-60	59 or less
5-level rating (type 1)	100-90	89-80	79-70	69-60	59 or less
5-level rating (type 2)	S	A	B	C	F
5-level rating (type 3)	A	B	C	D	F
<b>GRADE POINT (GP)</b>	<b>3</b>	<b>3</b>	<b>2</b>	<b>1</b>	<b>0</b>

#### Grade Formula:

$$\frac{([\text{No. of GP3 Credits}] \times 3) + ([\text{No. of GP2 Credits}] \times 2) + ([\text{No. of GP1 Credits}] \times 1) + ([\text{No. of GP0 Credits}] \times 0)}{\text{Total Number of Registered Credits}}$$

\*No. = Number

\*GP = Grade Point

\*If you have taken courses that are not part of the credit system, replace the number of credits in the GPA formula with the number of courses taken.

Example:

5-level rating (type2)

S-4 credits

A-10 credits

B-8 credits

C-4 credits

Total:26 credits

$$\text{JASSO GPA} = \frac{4 \times 3 + 10 \times 3 + 8 \times 2 + 4 \times 1}{26} = 2.3846 \dots \approx \underline{\underline{2.38}}$$

26

NOTE:

Meeting JASSO's criteria alone does not guarantee acceptance to the scholarship program. All applicants go through an on-campus screening process.
