## (1) Study

### ① Curriculum

#### Course Description

The Tohoku University JYPE program consists of;

- **Core Course (Required):** Individual Research Training A/B/Senior (IRT A/B/Senior)
- **Elective Courses** of your choice offered in English

#### Core Course (Required)

- **Individual Research Training A / B\* (IRT A / B)** \*IRT A = Fall Semester / IRT B = Spring Semester (5 credits each) (10 classes/week)(300 hours per semester)
  - **Individual Research Training Senior\*\*** (IRT Senior) (Spring Semester only) (10 credits) (20 classes/week) (550 hours per semester)
- \*\*Consult with your supervisor prior to course registration, and to discuss their requirements for IRT Senior and their needs for courses other than IRT Senior.

The enrollment conditions for IRT Senior are follows;

1. The student has finished the necessary courses for graduation and obtained excellent grades.
2. The student's academic advisor judges the student to have sufficient ability to take and understand graduate-level classes.
3. The student has a strong desire to undergo research training (IRT).
4. The student will obtain three or more Tohoku University credits in subjects other than research training (IRT Senior), and will be able to complete the JYPE program.

Note:

- Students who feel that they were not assigned to suitable laboratories for Individual Research Training A/B/Senior should contact the Incoming Student Exchange Section as soon as possible.
- In order to obtain the maximum outcomes in the Individual Research Training course, please discuss your results with your academic advisor and get the feedback frequently.
- Since JYPE students are not degree candidates at Tohoku University, Individual Research Training course does not mean that for a graduation thesis.
