④ 授業の目的と概要	This online course will be conducted synchronously ("real time") through Google Classroom. This class is designed for students who are not native English speakers and aims to develop skills essential for academic writing. Through lectures and hands-on activities, the course covers topics including critical reading, the academic writing style, how to organise an argument, and plagiarism. This class combines lectures with in-class activities including hands-on exercises and discussions. While learning some basics of writing through lectures and exercises, students should contribute to discussions, both whole-class and in pairs.
④ 学修の到達目標	After completing this class, students are expected to be able to write short essays and to be prepared to undertake longer writing projects in English.
