成績評価方法	The final grade will be determined by: (1) class work, homework, and class attendance; (2) writing assignments, and (3) a semester test.
Grading Plan (成績評価方法)	
教科書および参考書	Reference materials and practical activities will be provided on a weekly basis in printed and/or digital form. All assignments and class prints, furthermore, should be saved and carefully stored in a notebook.
授業時間外学習	There is a lot of homework in this course, especially in completing writing assignments according to strict—yet reasonable—deadlines. Because most of the learning is based on actually doing and redoing a series of tasks, success in this course depends on consistent effort outside of class hours and timely completion of all assignments.
