Tohoku University Safety Confirmation System

(1) Reason for implementation

Tohoku University confirms the safety of all students and staff in the event of major disasters.

The university decided to implement the Safety Confirmation System, which uses e-mail to efficiently and smoothly ascertain safety.

(2) Date implemented: October 2014~

(3) Eligibility: All students/staff

(4) Description of system
 1. Safety confirmation and emergency messages are sent from the university in the event of a disaster.
 2. Messages are sent to the e-mail address you registered.
 3. Follow the instructions in the message and contact the university.

(5) Safety Confirmation System Flowchart

Register an address (requires Tohoku University ID for authentication) through the Student Affairs Information System (students) or Integrated Electronic Authentication System (staff)

東北大学
