Application Guidelines for Admitting Students through Tohoku University STEM Research Internship Programs (T-SRIP) 2025

These are guidelines for admitting students through T-SRIP in 2025. The qualifications and requirements are determined by the T-SRIP website.

Before applying, you must contact your advisor and/or international officer at your home university and receive their approval of your nomination to participate in the T-SRIP program.

After nomination by your advisor and/or international officer, applicants to the programs mentioned above must submit the following documents to the Student Exchange Division of Tohoku University via the Application form (Google form).

1. Personal Statement (PDF) (WORD)
2. Letter of Recommendation (PDF) (WORD)
3. Photocopy of Passport Name Page
4. Official Transcript in English

Please refer to the information available on Tohoku University's official website:

T-SRIP
