Credit(s)	2Credits
Instructor	HIROYUKI ETO
Course Numbering	KIC-LIN621E
Language Used in Course	英語
Course of Media Class	
Class Subject	Topics in the Theory of Language and Culture
Object and Summary of Class	This course is designed (1) to provide students a general introduction to the theory of language, society, and culture via a close reading of selected chapters/papers on the relevant topics and (2) to familiarize students with certain aspects of the history of linguistic theory. This course is conducted primarily in English during discussions and presentations.
Goal of Study	This course will look at certain theories of language, society, and culture with the aim of answering the following questions: - What is language? / What is society? / What is culture? - What are the overall view, methods, and goals suggested by the particular theory? - What is its historical and intellectual background? - What is its position in the history of linguistics? - What are its competing theories?
Object and Summary of Class	The course schedule and assignments are as follows:
