Engineering Degree Course Taught in English

IMAC-U

International Mechanical and Aerospace Engineering
Undergraduate Course (Bachelor's Degree)

What is IMAC-U

IMAC-U is an international undergraduate course taught fully in English in the Division of Mechanical Engineering in School of Engineering at Tohoku University. It consists of more than 100 laboratories covering a wide range of study fields of mechanical systems design, aerospace engineering, robotics, nanotechnology, fluid dynamics, thermal engineering, materials science, biomedical engineering, and information science. Students are provided a world-class educational and research environment to study mechanics engineering and foster international awareness.

Tuition and Fees

■ Examination Fee	JPY 5,000
■ Entrance Fee	JPY 282,000
■ Tuition per year	JPY 535,800

Student Support

- **Scholarship** (For three FGL courses: IMAC-U, AMC and AMB)
 - MEXT Scholarship: 8 students (119,000 JPY/month, 4 years, tuition waive).
 - Tohoku University President Fellowship: amount fully covers the Exam Fee, Entrance Fee and 4 years tuition.
 - Japan Student Services Organization (JASSO) Scholarship: 48,000 JPY/month, besides Tohoku University President Fellowship, a half year.
- **Accommodation**: University dormitories for 2 years.
- **Tutor system**: All students are supported by tutors for the first year.
- **Japanese Language Class**

Tohoku University

Tohoku University, founded in 1907 as Japan's 3rd Imperial University, has been an academic leader in education and research under the spirit of "Research First" and "Open Doors". In the era of globalization it has been striving forward to pursue the new heights of excellence.

THE (Times Higher Education) Japan University Rankings

Tohoku University has been ranked **No.1** in "THE Japan University Ranking" for the **past 5 years**

Designated National University

Tohoku University was recognized as **one of the country's top three universities** as the "Designated National University" by the Japanese Government in June 2017

University for International Research Excellence

Tohoku University was accredited as **Japan's First** "University for International Research Excellence" in November 2024

Admission

■ Qualification

- 12-year curriculum of education in a country other than Japan, or an equivalent education as specified by the Ministry of Education.
- Basic academic ability: IB, GCE A-level, ACT, AP, EJU, National Standardized Examinations, etc.
