Course Description

The Tohoku University JYPE program consists of;

- **Core Course (Required):**
 - **Individual Research Training Senior A/B*** (IRT Senior A/B*)
 - **Individual Research Training A/B*** (IRT A/B*)

(*A = Fall Semester / B = Spring Semester)
- **Elective Courses** of your choice offered in English.

Core Course (Required)

There are 2 types of Individual Research Training (IRT);

Type	Semester	Classes per week	Total School Hours per semester	IRT Course Credits per semester	Credits* of Elective Courses per semester
IRT Senior A/B	A=Fall	20	550	10	3 or more
IRT A/B	B=Spring	10	300	5	8 or more

*Necessary for completion (to make a total credit of 13 or more per semester, including the credits of the IRT course)

Individual Research Training Senior A / B (IRT Senior A/B)

Consult with your supervisor prior to course registration and discuss their requirements for IRT Senior and for courses other than IRT Senior.

The enrollment conditions for IRT Senior are as follows:

1. The student has finished the necessary courses for graduation and obtained excellent grades.
2. The student's academic advisor judges the student to have sufficient ability to take and understand graduate-level classes.
3. The student has a strong desire to undergo research training (IRT).
4. The student will obtain three or more Tohoku University credits in subjects other than research training (IRT Senior) and will be able to complete the JYPE program.

Note:

- Students who feel that they were not assigned to suitable laboratories for Individual Research Training / Individual Research Training Senior should contact the Incoming Student Exchange Section as soon as possible.
- In order to obtain the maximum outcome in the Individual Research Training course, please discuss your results with your academic advisor and get feedback frequently.

- Since JYPE students are not degree candidates at Tohoku University, the Individual Research Training course does not take the place of a graduation thesis.

Elective Courses

- **JYPE Courses**

Information on the courses offered in this academic year (including some advanced-level courses) is available on the website.

- **Other Courses**

Students in this program can also take* courses from the Future Global Leadership (FGL) program.

- Science: Advanced Molecular Chemistry Course (AMC) (Chemistry, Science)
 - Engineering: International Mechanical and Aerospace Engineering Course Undergraduate (IMAC-U) (Mechanical and Aerospace Engineering, Engineering)
 - Agriculture: Applied Marine Biology Course (AMB) (Applied Biosciences, Agriculture)
- Also, some General Education Subjects for the FGL program are available* to JYPE students.
- Intercultural Collaborative Learning Course: We highly recommend the ICL course for its unique opportunity to enhance intercultural communication and teamwork in a global setting.

*Upon the approval of their academic advisors and course instructors.

! IMPORTANT !

In general, JYPE students cannot take graduate classes.

Even if you attend a graduate class, it will be treated as an unregistered class.

Please note that JYPE students generally cannot officially register for graduate classes.

Course Requirement

- Take a total of **13 credits** or more per semester (including the credits for IRT / IRT Senior)
- Submit required documents and attend mandatory event(s).

The following will be required to complete the IRT/IRT Senior course.
