Introduction

ASEAN STUDENT FORUM 2019 (ASF'19) is a four-day international forum for youths and top intellectuals from leading Universities and Colleges within the ASEAN and East Asia region. Universiti Teknologi PETRONAS – ASEAN Student Association (UTP – ASA) organises the forum annually where it focuses on reinforcing the ASEAN identity by creating a platform of discussion with regards to the implications of the ASEAN Integration Initiative. It aims to boost ties between ASEAN students, with the goal of integrating different ASEAN communities into one diversified entity. Throughout the forum, several discussions will be held regarding the students' sectors and fields of interest with respect to the changes, issues and effects brought about by ASEAN Plus Three (APT) Cooperation.

Vision

To achieve a united network from diverse perspectives by empowering youths who aims for a positive reinforcement.

Objectives of UTP-ASA

1. Foster positive reinforcement and enhance total well-beings of ASEAN Students.
2. Create a strong network of ASEAN Student platform in UTP.
3. Enhance friendship, integration and co-operation beyond boundaries among ASEAN youths.
4. Discuss on issues from each country related to youths and provide effective solution to implement in the community.

Objectives

ASEAN Student Forum 2019 (ASF'19) has 5 objectives :

1. Empower and create opportunities for youths throughout the ASEAN region.
2. Foster the positive reinforcement and mobilize the voices of ASEAN youths.
3. Enhance integration and cooperation among ASEAN youths from diverse backgrounds.
4. Create a platform for ASEAN youths to unite and discuss while encouraging integration of ideas.
5. Provide resolutions on the issues of the ASEAN community and implement effective yet efficient solutions.

Hosting Organisation

Universiti Teknologi PETRONAS (UTP) was established on January 10, 1997. This university was built by PETRONAS, an Oil And Gas company, on behalf of the government. UTP offers a wide range of engineering and technology programmes at undergraduate and postgraduate levels, for both foreign and local students and strives to produce graduates with excellent leadership and communication skills. The campus is situated in the beautifully landscaped environment, with trees, plants and full of greeneries. The lake in the campus adds beauty to the serene surrounding of the campus. The calmness of the lake and the area surrounding makes it conducive for students and an ideal place to study. UTP is in the top 100 in the QS (Quacquarelli Symonds) University Rankings in Asia and has the longest internship period of any other Universities in Malaysia (duration of 8 months), to provide real life experience and exposure in the real world. Along with its 6 - Star Rating (Outstanding) by the Rating for Higher Education Institutions in Malaysia (SETARA), UTP produces well rounded students which are wellrounded and better equipped to be in the workforce.

Hosting Organisation

The UTP-ASEAN Student Association was established in 2016 and aims to achieve a united network from diverse perspective by empowering youth who aims for a positive reinforcement. UTP-ASA organises ASEAN Student Forum annually focusing on the reinforcement of the ASEAN identity by creating a platform of discussion to boost ties between ASEAN student with the goal of integrating different ASEAN communities into one diversified entity.
