

Dear student,

The [English Language Teaching Centre](#) at the University of Sheffield are looking for students to participate in a trial English course in Virtual Reality (VR). This will happen in April/May 2021 using an app called [Immerse](#). The course will last for 6 weeks and there will be two lessons a week of about 45-60 minutes each. The course is for students of intermediate level, but it's ok if you are a little higher or lower.

The course is a trial so there will be **NO** cost for you. However, **you will need to own either the Oculus Quest 1 or the Oculus Quest 2 VR headset** to participate in the course because the app only works on those headsets.

If you are interested in participating in the course, please contact David Read at d.p.read@sheffield.ac.uk and write in the email: 'I have an Oculus Quest and I am interested in participating in the VR course'.

Best regards
David Read
